Art Unit: 1713

1. Restriction to one of the following inventions is required under 35 U.S.C. 121:
 - I. Claims 5, 7 and 8, drawn to a process of making polymers.
 - II. Claims 13, 15 and 16, drawn to a different process of making polymers.
 - III. Claims 17, 19 and 20, drawn to a different process of making polymers.
2. The inventions are distinct, each from the other because: each process is mutually distinct in that it starts and finishes with different chemical entities.
3. Because these inventions are distinct for the reasons given above and the search required for each Group is not required for the other Groups, restriction for examination purposes as indicated is proper.
4. During a telephone conversation with Charles Krukiel, Esq. on 09 December 2004, a provisional election was made with traverse to prosecute the invention of Group I, claims 5, 7 and 8.

EXAMINER'S AMENDMENT

5. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Charles Krukiel, Esq. on 09 December 2004.

The application has been amended as follows: Claims 13, 15-17, 19 and 20, to non-elected invention(s), have been cancelled. Applicants authorized cancellation of

these claims while reserving all rights to file divisional application(s) to the subject matter therein.

REASONS FOR ALLOWANCE

6. The following is an examiner's statement of reasons for allowance: The specific method of polymerizing the compounds represented by either formula I or II to form polymers is neither taught nor suggested by the closest prior art as cited.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
